**Consent Order  
Imposing Administrative Penalty**

This matter comes before me pursuant to an agreement entered into between the State of South Carolina Department of Insurance and Risk Control, LLC, a producer licensed to transact business in the State of South Carolina.

Risk Control, LLC acknowledges that they on eight (8) occasions violated South Carolina Code Section 38-55-50 and S.C. Department of Insurance Bulletin 00-14 by applying unapproved service fees to policies written in the State of South Carolina. These direct violations of the South Carolina Code can ultimately lead to the revocation or suspension of a producer's license to transact the business of insurance in South Carolina.

Prior to the initiation of any administrative proceedings by the Department against Risk Control, LLC, the parties agreed to submit the entire matter to me, along with their specific recommendation, for my summary decision, rather than to proceed toward a formal public hearing. The consensual recommendation was that, in lieu of the Department seeking to revoke producer's license, they would waive their right to a public hearing and pay an administrative fine in the total amount of \$4,000. The administrative fine will be paid immediately upon signing of this consent order.

Section 38-13-160 of the South Carolina Code states that, "The director or his designee may require any authorized insurer or its officers to answer any inquiry in relation to its transactions, condition, or any connected matter necessary to the administration of the insurance laws of the State. Every corporation or person must reply in writing to the inquiry promptly and truthfully, and every reply must be verified, if required by the director or his designee, by the individual or by the officer or officers of a corporation as he designates." Section 38-5-120 states, in pertinent part, that the Director of Insurance "shall revoke or suspend certificates of authority granted to an insurer...if he is of the opinion upon examination or other evidence that...(t)he insurer has not complied with the law or with the provisions of its charter." Alternatively, § 38-5-130 provides that in lieu of license revocation or suspension, the Director may impose a monetary penalty as provided in § 38-2-10.

After a thorough review of the record, carefully considering the recommendation of the parties, and pursuant to my findings of fact, I hereby conclude as a matter of law, that Risk

Control, LLC has violated S.C. Code § 38-55-50 and South Carolina Department of Insurance Bulletin 00-14. Although I can now revoke the producer's license, I hereby invoke the discretionary authority given to me and impose against Risk Control, LLC in the total amount of \$4,000. That fine must be paid as prescribed in the preceding paragraph. If that total fine amount is not timely paid, the producer's license will be revoked without any further disciplinary proceedings.

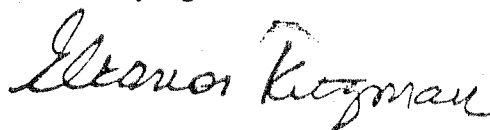

This fine has been reached by the parties as a result of negotiation and compromise, and in consideration of Risk Control, LLC assurance that they will comply with all statutes and regulations of this Department. This penalty includes all expenses related to investigation of this matter as provided in § 38-13-70 of the South Carolina Code. The parties expressly agree and understand payment of the agreed-upon penalty constitutes full accord and satisfaction of this matter. By the signature of Robert F. Tobey upon this consent order, he acknowledges this administrative order as a public record subject to the disclosure requirements of the State of South Carolina's *Freedom of Information Act*, S.C. Code Ann. §§ 30-4-10, *et seq.* (1991 and Supp. 2000).

Nothing contained within this administrative order should be construed to limit, or to deprive any person of, any private right of action under the law. Nothing contained within this administrative order should be construed to limit, in any manner, the criminal jurisdiction of any law enforcement officer or judicial officer. Nothing contained within this administrative order should be construed to limit the statutory duty, of the Director of Insurance, exercised either directly or through the Department of Insurance, to "report to the Attorney General or other appropriate law enforcement officials criminal violations of the laws relative to the business of insurance or the provisions of this title which he considers necessary to report." S.C. Code Ann. § 38-3-110 (Supp. 2004).

It is, therefore, ordered that Risk Control, LLC shall, pay through the South Carolina Department of Insurance an administrative fine in the total amount of \$4,000.

It is further ordered that a copy of this consent order be immediately transmitted to the National Association of Insurance Commissioners for distribution to its member states.

This consent order becomes effective as of the date of my signature below.
